

Our 19th Annual **Bras for a Cause, “Masquerade”** will be held on **Saturday, Feb 26, 2022**. Proceeds raised will help support community projects directed towards providing women and girls with access to the education and training they need to achieve economic empowerment as well as our own Soroptimist programs. Also, we support women through the path to better health, especially those fighting cancer.

As you know, the decorating of bras has been the penultimate event around which our event is staged. After putting our heads together, we decided to allow the artists to submit any art honoring WOMEN or around the Mask/Masquerade theme i.e., 2-dimensional artwork, miniature using a doll, full size or even wearable. If you do not have an artist to bring your ideas to light, we can connect you to an artist.

The entry fee is \$100, which includes a torso if needed. We hope you can find a sponsor or various sponsors. If not, contact us. Although we hope that you will be able to incorporate this year’s theme into your bra design, we encourage you to be innovative and imaginative. You can start with a bra and design your masterpiece or create a bra using unexpected materials. Awards will be given in several categories.
