

Soroptimist International of Glendale is beginning our fundraising drive for the 2021/2022 year. Our club supports the dreams of the International Federation in the **Big Dream Campaign** which hopes to lift up hundreds of thousands of women and girls around the world who face obstacles to their education. Soroptimist International of Glendale's (SIG) 19th Annual **Bras for a Cause** fundraiser "**Masquerade**" will be held on **Feb 26, 2022**. We will be honoring **Sandy and Douglas Schultz** and **Art Devine** with our Support Award.

Proceeds raised from this year's fundraising will help support local non-profit organizations with financial grants for programs directed towards providing women and girls with access to the education and training they need to achieve economic empowerment as well as to our own Soroptimist programs.

We hope that you, our community partners and friends, will be a sponsor for this special event. Soroptimist International of Glendale is a service organization with a vision to see that women and girls in our own community and around the world have the resources and opportunities needed to reach their full potential and live their dreams.

We are **Investing in Dreams** through our two major programs that provide women and girls the access to education and skills training they need to reach their full potential. **Live Your Dream: Education and Training Awards for Women**, are cash grants to women who are head of household and working towards an undergraduate degree or technical program. **Dream It Be It: Career Support for Girls** gives girls the tools they need to achieve their education and career goals through workshops and career mentoring. In 2019, we hosted 3 one-day programs as part of the YWCA'S Camp Rosie, and in 2020 a career luncheon was held for the girls.

Your sponsorship and/or purchase of a program ad will provide funding for these critical programs to improve the lives of women locally as well as globally. Join us again to make this year's Bras for a Cause a success! Together our impact will change many lives. We hope you will consider helping us in this endeavor to benefit women and girls in and around our community and the world.
